linkedin.com/in/rizwanakram837

Results-driven Software Engineer student passionate about cyber-security and blockchain. Skilled in **React**, **Blockchain Development**, **JavaScript**, **MySQL**, and **Node.js**. Effective project leader, consistently delivering successful outcomes. Excels in developing enterprise-level software applications.

## EDUCATION

### Software Engineer Bahria University

08/2021 - Present

Karachi, Pakistan

#### Courses

- DBMS
- DSA
- Operating Systems
- OOP

### Intermediate Bahria Model College

04/2018 - 06/2020

Karachi, Pakistan

#### Courses

- Physics
- Mathematics
- Chemistry
- Engineering Principles

## PROJECTS

### Resume Analyzer Using NLP

<https://rizankhan.tk/resumeanalyzer>

02/2022 - Present

Developed a Resume Analyzer using Natural Language Processing (NLP) to extract key information from PDF resumes and store them in an SQL database.

#### Achievements

- Streamlined the resume screening process by automating key data extraction, reducing manual effort by **70%!**
- Improved recruiter productivity with an intuitive interface for efficient resume querying, decreasing search time by **50%!**
- Enhanced candidate evaluation accuracy with **OpenAI's SQL Translate API**, enabling effortless natural language queries on the resume database!

### E-Cart App

<https://rizankhan.tk/ecartapp>

02/2022 - 08/2022

Using Java and public API's, developed an android app that can be used for selling products online.

#### Achievements

- It can help to increase sales by **20%** by providing an easy and convenient way for customers to purchase products!
- It can also help to reduce costs by **60%** by eliminating the need for brick-and-mortar stores!

## SKILLS

React

Blockchain Development

Javascript

MySql

HTML/CSS

NodeJs

Git

## CERTIFICATES

### Blockchain Development (06/2022 - 03/2023)

Gained proficiency in blockchain fundamentals, smart contract development, decentralized application (DApp) creation, and secure implementation of blockchain solutions.

## PROGRAMMING LANGUAGES

Solidity

Professional Working Proficiency

Python

Professional Working Proficiency

C#

Full Professional Proficiency

Java

Full Professional Proficiency

## INTERESTS

Cyber Security

Linux

Blockchain

Ethical Hacking

Football
